BTEC Level 3 Subsidiary Diploma

The BTEC Level 3 Subsidiary Diploma in Sport is designed to develop the key knowledge, understanding and practical skills essential within the sports industry. It is the equivalent of one A Level and can be studied alongside two to three other A Level subjects.

The students can have any level of sporting ability but must still have the same academic standard necessary to study A Levels. During the course they can choose to apply the coursework to their own sport, or to any other sport(s). The course is in the form of assignments with no final examinations.

The course will be taught and accredited by the Loughborough College who have an excellent reputation for their sports provision. The students will study at Palma College in person with a Loughborough College teacher and a small part online direct with Loughborough College.
